**17 June 1963**

**MEMORANDUM FOR: Executive Assistant, DD/R**

**SUBJECT : Addition to the Office of the Special Assistant to the DD/R**

Jim Reber spoke to me today concerning the necessity for additional personnel in his office. It seems he has in mind transferring [REDACTED] and secretary. I told him that I was sympathetic to his requirements for more help. Please discuss with me at your convenience what we might do to effect such a transfer.
